

Mid-Carolina Electric Cooperative: Attention Juniors

The Cooperative is once again sponsoring three students to participate in the Electric Cooperative Youth Tour to Washington, DC. For more than 40 years, approximately 40,000 high school **juniors** from all across America have benefited through this program. You could be selected to attend this weeklong expense paid trip. Applications can be found in the Scholarship drawer in the Counseling office. The application deadline is **January 1**. Students must also interview on Tuesday, February 6, 2018 to be considered as a representative. Please note students who are selected for the tour may later be eligible to apply for a \$5,000 scholarship. If you have any questions please see Mrs. Johnston in the Counseling office.

The Coolidge Scholarship: Attention Juniors

Coolidge Scholars are selected primarily on academic excellence. Secondary criteria include: an interest in public policy, an appreciation for the values President Coolidge championed, humility, and service. It has been reported that students who do not win are glad they went through the application process because it helps prepare them for college applications later on. The top 45-50 applicants will participate in the Coolidge Senators Program, which includes an all-expenses-paid Summit in Washington, DC where the students have the chance to meet each other and tour all three branches of government. Ultimately students who are interviewed are eligible to win a one-time "Finalist Award" scholarship.

The scholarship application and additional information can be found on their website at: www.coolidgescholars.org

Deadline: 5:00 PM EST, January 24, 2018
