Jacob Vining	Jacob Maresh	Tara Carrell	Gabe Dieterly
Rosemary Farley	Sherri Corley	Melissa Rawl	Alexandra Shurtzer
Izzy Wise	Erica Perry	Haidee Stith	
Aaron Austin	Joshua Brown	Ryan Perry	

Welcome (Mr. Verburg)

Mr. Verburg welcomed members in attendance and called the meeting to order. Reminded everyone that we broke into committees last month and the committees will share tonight.

Principal Update (Mrs. Rawl)

Mrs. Rawl shared that teachers appreciate the treats. The preliminary end-of-course results are very good. At the next meeting, she will share SCDE information. Next year, Lexington One will be undergoing Advanced Ed (formerly SACS). We will prepare by looking at vision and mission statements, and volunteers may be needed from the SIC. Renovations are almost finished for baseball, with the inspection this Friday. Next in the plan is the old girls and boys' locker room. On February 23rd, there will be budget meetings and information regarding new positions will be shared. She will request money for a center presence. BB&T gave \$50,000 that hasn't been used yet for the center. The new superintendent will be announced on Thursday night.

Good News Update (Mr. Verburg)

Christen Weidner is the district teacher of the year. Karla Roland is the state instructional assistant of the year. The dance team won several awards.

Teacher Appreciation (Mrs. Wise)

Mrs. Wise asked about how it would be best to organize desserts in the lounges. There has been a great turn out from parents for teacher appreciation. Another meal for teachers will be in May. A date will need to be determined.

FIT Update (Mr. Verburg)

Please bring jelly to the next meeting. Also bring toiletries (razors, deodorant, etc.). A \$300 donation from Mid-Carolina was received. A \$1000 donation from Radius was received for student need, which includes field trip, yearbook, and "gift of hope".

On-line School Store (Mr. Verburg)

Virtual Enterprise gave a presentation about the school store. There was a demonstration of the website. They are looking at online ticket sales and the school will receive a small percentage from the sales. Loyal program is going to help manage distribution.

Special Needs Integration (Mr. Verburg and Jacob Vining)

Students will be highlighted on the broadcast for their strengths, ex. Art. Parental approval will be needed.

SIC Committees (Mrs. Wise)

Email Mrs. Wise to get on a committee.

Next meeting: Monday, February 22nd

Minutes compiled by Mr. Verburg and respectfully submitted by Kathy Coskrey, Secretary
