Attendance: Eric Longshore, Alicia Verburg, Will Verburg, Melissa Rawl, Miranda Carroll, Tara Carroll, Olivia D'Egidio, Allie Richardson, Hannah James, Duncan Pearson, Jennifer Garrick, Grace D'Egidio

Meeting began with Mrs. Rawl sharing LHS test scores with the group. She discussed Workkeys, ACT, AP, and EOC scores. Mrs. Rawl then talked about potential construction opportunities and she said if anyone had any ideas they should email Mr. Verburg. Possibilities discussed were a new Chorus room and Dance room.

Mr. Verburg then gave an update on the Pet drive and where things stood. The group then discussed Teacher Appreciation and we discussed a theme for each month and a treat for every faculty and staff each month. Mrs. Verburg is going to create a sign-up sheet for LH parents to donate goodies for Teacher Appreciation.

Next, we discussed creating a bouquet of flowers for Mrs. Rawl with various relaxing items in the bucket. We are going to ask each member of ISC to donate to the cost. Each SIC member will write a nice note for Mrs. Rawl as well. We need notes and money by Nov 4th. The students will create an embroidering for the bucket.

Team discussed doing the ice cream social and banquet again for Special Ed. But we just touched on this before we left.

Our next meeting will be Monday, Dec 4th.
