

SIC Minutes Sept 25th 2017

Meeting began with Mr. Verburg welcoming everyone. We went around the room and did introductions. We discussed our activities for the year. The team decided that sub groups were not needed this year and that we would do tasks that all would be involved with. The projects SIC will work on this year are:

Pet Shelter Drive – Mrs. Hill is going to call to see what their needs are

Teacher appreciation – This will include student led activities this year

Special ed – Continue from last year

Unity in School – Mrs. Garrick brought this up and we discussed a group that would help unify students

5K Run/Walk – We would continue this from last year.

Meeting adjourned with Mr. Verburg announcing that we would work throughout the month by email and our next meeting would be Monday, Oct 23rd.
