Meeting began with Mrs. Augsberger sharing some info about internships, job shadowing, and job opportunities. Encouraged students to get involved with career exploration. Shared some data that supported growth in the career specialist department.

Mr. Verburg then gave a recap of the Pet Drive and flowers for Mrs. Rawl. Alicia Verburg and Will Verburg then talked about how teacher appreciation is going and what we are doing moving forward.

The group then spoke about early preparations for the 5K run. Talked about sponsors and how we wanted to create a fun atmosphere. We discussed a theme and thought battered and abused women's shelters would be a great service for our run. Our date for the race will be Saturday, May 12th and will have a mother's day theme. Asked students to find DJ for the race and to come up with ideas to make the run more festive. The adults will start thinking about sponsors and what we can offer.

Our next meeting will be Monday, Jan 22nd
