

PowerSchool Apps

PowerSchool is the fastest-growing, most widely used web-based student information system, supporting 10 million students in all 50 states and over 65 countries. PowerSchool enables today's educators to make timely decisions that impact student performance while creating a collaborative environment for parents, teachers and students to work together in preparing 21st century learners for the future.

PowerSchool provides the full range of features needed by administrators at the district and school level in addition to portals for teachers, parents, and students.

PowerSchool can be used:

- To view grade details, click a grade in a term column.
- To send e-mail to a teacher, click the name of the teacher. Note: To use this function, your web browser must be properly configured to automatically open an e-mail application, and the e-mail application must be properly configured to send messages.
- To view the absences or tardies for the selected class during this term, click a number in the Absences or Tardies column. The Dates of Attendance page displays all absences or tardies for that class.
- To view the absences or tardies for all classes during this term, click a number in the Attendance Totals row. The Dates of Absence or Dates of Tardies page displays all absences or tardies. Use the browser Back button to return to the Grades and Attendance page.
- To view total absences or tardies for the semester or for the year-to-date, click a number in the Absences or Tardies column in the Attendance by Day section. Depending on your selection, the Dates of Attendance page displays the total absences or tardies for the semester or for the year-to-date.
- For grade history - View historical grades after report cards are printed.
- For attendance history - View information about your attendance record for the current term. The legend at the bottom of the page displays the attendance codes and their meanings.
- For teacher comments - View comments that teachers have entered.

PowerSchool is now portable! The PowerSchool for Parents app is available for download from the App Store and compatible with the iPhone®, iPad® or iPod touch®. Parents can easily view each child's progress in a single feed to check grades, review assignments, and more! Students also have portable access to PowerSchool right from their mobile devices using the PowerSchool for Students app! Included in both apps is the option for students and parents to share classroom information through Facebook and Twitter.
