After school math tutoring in the Counseling Department will now be every Monday through Thursday from 3:30 – 4:30 p.m.

There will be no tutoring on Friday afternoons.

Lunch Detention UPDATE

Meet at C-hall Entrance at the designated time.

Attention student drivers and parents that pick up their students after school

We are getting a new traffic light in front of our school. May 8 it will be fully functional. However, the week of May 1 – May 5, they will be testing this light and sometimes they will be flashing yellow then red, all kinds of patterns.

For the safety of all next week after school when there is heavy traffic leaving at one time, we will only be allowing right turns out of the left parking lot side.

If you need to turn left toward Gilbert, please use the parking lot on Old Farm Road (the right side) of our school – to exit at the end of the day. There is already a light there to help with turns.

This may inconvenience you for one week but it will be worth it for your safety and traffic flow until the light is fully functional on May 8. Thank you for co-operation.
