

IMMERSION UPDATES

LEXINGTON HIGH SCHOOL SPANISH IMMERSION NEWS

News

We are excited to now have three years of Spanish Immersion students among us here at Lexington High School. Señora A. Anaya teaches the 9th grade immersion students and Señora A.M. Bausch teaches the 10th and 11th grade immersion students.

We are all off to a great start with enriching curriculum across the levels.

Year 1 students (9th graders) are currently exploring the first unit: *A Summer Abroad* with the essential question: How does proficiency in the target language broaden and enrich experiences in other countries?

Year 2 students (10th graders) are exploring the theme of *A Personal Journey*: How do where I live and the surrounding culture influence how I deal with personal issues? Our geographic focus this year is on the countries of the southern cone of South America.

Year 3 students (11th graders) are embarking on a study of *Global Communities*: What goals do international communities have in common? We have begun with a look at the UN and its role in global issues.
