

Spanish Immersion Update

Immersion Year 3	Immersion Year 2	Immersion Year 1
<p>The students just submitted a professional-quality community service video outlining the causes, dangers and treatments for the influenza virus. This was the culmination of the unit segment on expository writing. We have now moved into our last segment of the study of global issues through Literary Expression: descriptive writing. We will examine the elements of descriptive writing and sharpen our grammar skills to produce high-quality descriptive essays.</p> 	<p>We are continuing our unit "A journey through community challenges" How does where I live and the surrounding culture influence how I deal with challenges in the community? Some of our discussions have focused on the importance of volunteer work and what constitutes an "ideal" community.</p> <p><i>RISING JUNIORS: HAVE YOU CONSIDERED DOING THE INTERNATIONAL BACCALAUREATE PROGRAMME NEXT YEAR? CONTACT DR. WALTERS FOR MORE INFORMATION.</i></p> <p><i>SWALTERS@LEXINGTON1.NET</i></p> <p><i>http://lhs.lexington1.net/ib-international-baccalaureate/</i></p>	<p>We have started our third unit of study A Summer's End, which focuses on communicating our plans for the future based on past experiences. Student's read a short story written entirely in the future tense by Carlos Donatucci, and argentinian author, in which he anticipates tomorrow's events, and wrote their own story about tomorrow. After trading stories, students are formatting a classmate's story as a comic strip of an event that took place in the past. Moving forward, students will reflect of their previous "trip to Spain" decide what they will do differently the next time around.</p> <p>Speaking of trips to Spain, If you are interested in the real deal, LHS is planning an 11 day immersion trip to Málaga on the summer of 2019. Please contact the coordinator, Ms. Latham, at</p>

In light of the coursework not working out with USC for next year as we had planned, the district is offering the immersion students the option to take AP next year. We will be working on adjusting the curriculum for this course for immersion so that it will meet their unique needs and support them. Immersion students may also choose to take part in IB at LHS as it is also a very rigorous program and would allow them to engage with strong curriculum and other students/teachers from around the world. If you choose to take the IB course, your child could still take the AP course for about \$80 at the end of the year if you also want that AP exam.
