

# Spanish Immersion Update

Immersion Year 3	Immersion Year 2	Immersion Year 1
<p>This month will be a mixed bag of themes. Currently we are finishing up our unit on Literary Expression with Summative assessments.</p> <p>Then, switching gears, we will begin a new unit: Emotions. We will discover how emotions expressed in text and video is similar or different from how emotions are expressed in our own culture.</p> <p>Students will interpret the feelings or emotions felt by the writer of a piece of literature (poetry or short prose) and search for expressions that divulge the feelings or emotions within the text.</p> 	<p>We continue to explore what it means to be a global citizen, and what our roles and responsibilities are as global citizens.</p>  <p><b>RISE JUNIORS: HAVE YOU CONSIDERED DOING THE INTERNATIONAL BACCALAUREATE PROGRAMME NEXT YEAR? CONTACT DR. WALTERS FOR MORE INFORMATION. <a href="mailto:SWALTERS@LEXINGTONI.NET">SWALTERS@LEXINGTONI.NET</a></b></p> <p><b>AP Spanish will be offered next year! Sign up in guidance.</b></p>	<p>We have begun our last unit of study for the course: Waiting on the World to Change, in which we explore global issues, and how our perspective determines our decisions and actions.</p> <p>We tried <a href="#">BreakoutEdu</a> for the first time and it was a big success! I hope to do it again before the end of the year.</p> 

In light of the coursework not working out with USC for next year as we had planned, the district is offering the immersion students the option to take AP next year. We will be working on adjusting the curriculum for this course for immersion so that it will meet their unique needs and support them. Immersion students may also choose to take part in IB at LHS as it is also a very rigorous program and would allow them to engage with strong curriculum and other students/teachers from around the world. If you choose to take the IB course, your child could still take the AP course for about \$80 at the end of the year if you also want that AP exam.
