

Spanish IB Summer Assignment

The following are links to activities rising **juniors and seniors** should do over the summer to prepare for Spanish SL.

Grammar:

For each topic, I recommend you read through the lesson and complete the accompanying quiz. You need to pass each quiz with a 90% or better before moving to the next topic.

News reports for listening comprehension and vocabulary development:

Each news clip is less than 3 minutes in length. The first five links have comprehension activities that you can complete and check answers. The last two are important for their thematic connection to IB Core units.
