LHS Summer Reading 2019-2020

Did you know?
Students who read during the summer gain an average of 1 month of reading proficiency. Students who don’t read lose an average of 2-3 months proficiency and over time, those lost months add up to years. By high school, 2/3 of the reading achievement gap can be attributed to summer learning loss during the elementary years.

Summer Reading for ALL students at LHS:
Step 1: Select a book.
Step 2: Read a book. (If it will help you remember, take notes. Nothing formal, nothing graded!)
Step 3: Meet with your reading group in the fall to discuss your book.
